## AREA OF EXPERTISE

- Having lived in Jakarta since 1992, he founded PT. Koll IPAC, at the time of his arrival and Koll became one of the first and largest property consultants in Indonesia to exclusively represent the real estate needs of tenant and buyers
- Mike assumed the position of Managing Director of PT. Colliers International Indonesia at the beginning of 2004. He now oversees the operations of the largest international property consultancy in Indonesia. With over 280 employees, the company provides a full range of research and consulting services and valuation services; office, industrial, retail and residential landlord and tenant representation; and facilities and property management services

## PROFESSIONAL ACCOMPLISHMENTS

- Mike has been involved in some of the largest commercial real estate transactions with multi-national companies in Jakarta over the last 18 years
