## 2008 Count Down, Gears up toward 2009

### What about Resolution ?

At this best time of the year, I would like to take the opportunity to greet you all with warmest regards and best wishes of the season greetings.

Noting briefly on our year end resolution, I am pleased to pin in some of the refreshing moments we have had through-

out the year 2008.

It feels good, seeing my long time Trojan friends, devoted committee members and those new faces, who got on-board this year.

The reviving spirit of alumni to get connected remains solid and is definitely there. Hope we can continue making it stronger than ever.

We have every reasons to keep it up toward next year.

Together we can render it for the better.

Look forward to seeing you around.

Have a blessed **Merry Christmas & Happy New Year 2009**

## Thought of Christmas

May the timeless message of Christmas fills your heart with joy today and throughout the coming year . There is more, much more to Christmas

than candlelight and cheer. It is the spirit of sweet friendship that brightens all the year. It is thoughtfulness and kindness , It is hope reborn again.

For peace, for understanding and for goodwill to men ! With happiness in all that you do and may this joy continue the whole year through.

The World is Just A Book Away

*“ The theme of this USC event is to help the less fortunate children of Sidoarjo. Our ultimate goal is to build schools in the Porong area. Currently we have received report that school aged children in the area are in dire need of proper learning material such as books. Some children are actually learning to read by picking up manual books of electronic equipment ! “*

Please let us know if you would like to be involved in making this the biggest and most memorable event in 2009.

I have always thought of Christmas time as a good time. A kind, forgiving, charitable, pleasant time. The only time I know of, in the long calendar of the year, when men and women seem by one consent to open their shut-up hearts freely."
